

Match Day Sponsorship

Hythe and Dibden Cricket Club (H&DCC) has been in existence since 1948 and has formed strong links with the local community. Today the club runs 4 senior sides on a Saturday, 2 Sunday sides and a mid-week team, as well as a thriving colts section with under 9's, 11's, 13's, 15's and 17's sides. Cricket is a wonderful sport bringing together players of all ages and abilities whilst promoting the "spirit of the game" and extolling the virtues of sportsmanship. The club is fully run by volunteers ensuring the opportunity to play cricket is available to everyone within the local community.

Playing cricket comes without an inconsiderable expense. Amongst other things, funding is required to maintain the wicket and outfield; purchase match day balls and scorebooks. As an example, in 2012, £1500 was spent on the square and outfield, this year we'll need to purchase over 100 match balls at a cost of £12 each.

As a match day sponsor, as well as supporting the cricket club with valuable funding, you will receive the following:

- ◇ Your company logo and contact information will be prominently displayed within the club on the appropriate match day.
- ◇ Your logo will be included in any pre-match write ups leading up to the weekend of games, and on all match reports for the weekend. . Match day reports are published on the H&DCC website, last season the website received 4,000-5,000 hits a week.
- ◇ Your logo and contact information will be included on the "2013 Match day Sponsors" page on the club's web-site.
- ◇ Enjoy a warm welcome at the club and an open invitation to come and watch a game of cricket and enjoy a drink at our bar.

We are looking for sponsorship of £100 for each of the 17 match days we have this year. Your help and support would be greatly appreciated.
