

Experience golf in the North East

You won't find a better place for a golf break

WHIST they may not be the best known of the courses that the UK lays claim to, there's no doubt that the Newcastle and District Golf Club Partnership has some memorable golfing layouts at its disposal.

The group, formed two years ago with the joint aims of bringing benefits to its members and clubs, is now inviting visitors to the area to take advantage of the service it can

provide, which includes preferential green fee rates.

Over a relatively short space of time, the number of member courses has grown to include 12 fantastic venues, with the furthest being only 30 minutes from Newcastle City Centre.

EXCITING

Each course is unique in character, meaning no matter how many you select to play during

your time in the North East, you are sure to enjoy a varied and exciting golf trip.

And, if you are planning on staying away, the New Northumbria Hotel is the perfect place to base yourself. Situated in Newcastle, it is but a short way from many excellent layouts.

Check out the individual websites below for more information to assist in making your selection.
